

Art of Astonishment Volume 3 by Paul Harris - Buch

The Complete, Ultimate Paul Harris Collection. This three-volume set of books contains all of Paul`s classics, updated and refined, as well as 73 brand-new creations! All in all, these books contain over 900 pages of Paul Harris including a ground-breaking essay discussing the feeling of astonishment as our natural state of mind. There are also six conversations with Eric Mead about effects that are too weird even for Paul.

*A Total of 222 Effects
73 Brand New Creations*

Pages 312 - Hard Bound
