# The Web Returns by Murphy's Magic

*The scariest card trick in the world!*

THE WEB RETURNS!
Based on The classic Web effect, the web returns gives you all the thrills and chills of the original PLUS so much more!!!

If you want to go for the jugular and take no prisoners, the WEB RETURNS is for you! You will get a more visceral reaction than any card effect ever created!

*WARNING:* There are some people you simply should NOT do this effect for because it starts out so innocently yet ends with a VERY startling reaction!

**The Effect:** THE WEB RETURNS makes 'em jump up and scream! Four blank cards are counted onto the spectator's palm up hand. Then pictures of spider webs appear and disappear from the faces of the cards. To conclude, the spectator is asked to wave his hands over the cards. When he or she does, they discover a large, realistic spider on the back of their hand. You WILL make people scream with THE WEB RETURNS!
