

## **Remarkable Card Magic (3 DVD Set) by Boris Wild - DVD - Markiertes Kartenspiel**

FISM award-winner Boris Wild is one of the most renowned French magicians in the world. From Hollywood and Las Vegas to Monte Carlo, Sydney, Tokyo and beyond, Boris' original and creative approach to card magic has taken him to some of the most prestigious venues on five continents where he has received standing ovations.

Now, it's your turn to watch and learn Boris Wild's favorite creations as he reveals them for the very first time on video in this amazing DVD set. You'll witness astounding, truly miraculous card magic using his outstanding, world-famous BW Marked Deck. Boris will teach you every single detail of his ingenious system as well as incredibly clean routines that will fool you badly and, after you learn them, will leave your audiences shaking their heads! One of them, Pure Telepathy, is considered by international experts to be "one of the most beautiful and theatrical card revelations in the world." You'll also learn the wonderfully deceptive Kiss Count, in addition to many highly-visual applications using this new technique. There's a colorful combination of cards and silks set to music, a spectator's kiss on an impossible journey to a signed card, and a fantastic, multi-phase routine combining All Backs, Triumph and Wild Card!

These three DVDs also feature a super-clean revelation of a thought-of card in mid-air, a unique prediction of a movie, plus Boris' best-selling effects including Miracolor, his diabolical Wild Monte, Very Wild!, and WPT, two eye-popping transformations of cards that will knock you dead. And there's more...!

The performances are fun and entertaining to watch and the secrets behind it all do not require difficult sleight of hand. The moves, principles and methods rely mostly on subtlety and cleverness. Boris explains everything in detail with clear step-by-step instructions, valuable tips, a pinch of theory, and in-depth psychological aspects in their own dedicated segment.

Boris Wild's Remarkable Card Magic gathers original, visual, strong effects that lovers of great card magic will enjoy immensely...and spectators will love even more!

"I admire and respect my good friend Boris Wild. He's clever and original in his creativity and his presentations are charming and sophisticated. Boris is one of a
