

Mindbogglers Vol 1 by Dan Harlan - DVD

Finally, a complete explanation of the world's best swindles from the only grifter claiming to be a magician, belly dancer, floor gambler, frogwipe salesman, former racecar driver, brain surgeon and denture wearer - **Dan Harlan!**

Mr. Harlan has spent over 50 of his 35 years of life learning, collecting and creating the cons used by the pros, and now he spills it all!

If you've ever wanted to fleece your friends or pull the wool over some unsuspecting stranger's eyes, then get ready to shepherd the flock straight to the shearer. Everything's here: the most perplexing puzzles, the most outrageous boasts, the most preposterous propositions, the most cunning cons and sneaky scams, all presented in a completely natural, simulated, artificial environment.

On this DVD, Harlan will teach you to drink a shot without touching it, know how much change is in someone's pocket, flip a drink 360 degrees without spilling it, perform trick shots like a pool shark, toss cards like an experienced operator, take money from the bar's cash register

without ever touching it, make a dime land on its edge when dropped, sell money at a profit, and more! Don't believe it's possible? Wanna bet?
