

The Ricky Jay Collection Catalog Volume 2 - Book

Unusual relics were the hallmark of **Ricky Jay's storied collection**. This second auction from his archives features an astonishing array of the fantastic, the funny, and the flabbergasting. From posters featuring frog-swallowing vaudevillians to caches of rare correspondence; from the first published treatise on ventriloquism to magic props manipulated by a Scottish greengrocer, this sale offers a range of curiosities many of which have never before come to market.
