

INSTA WALLET 2.0 (Red) by Iriart Magic Presented by Andrew and Magic UP

A wallet is shown and placed on a table. A card is signed and lost in the deck, then the spectator puts the deck back in the box.

The magician picks up the wallet, which has always been in sight, and the signed card appears inside!

FEATURES:

- Enhanced secret with undetectable finish
- Modern design
- High quality materials
- Simplified functionality for easy handling
