

The Exciting World of Magic by Michael Ammar - DVD

The amazing magic, performed and clearly explained as only Michael Ammar can-including step-by-step instructions from the perfect view, isn't the only reason to check out this DVD. Michael also shares his professional advice about all the things he wished he had known when first starting out in magic. This **includes insider advice on: buying magic, joining clubs, attending conventions, subscribing to magazines, easy tricks vs. hard tricks, practice, the basic rules-and when to break them!**

You'll discover mind reading, magic with cards, coins, sponge, string, finger rings, rubber bands, balloons and more! These secrets give you the power to entertain almost anywhere, almost anytime! You'll be ready to amaze people just minutes after watching.
