

Mirrors by Diamond Jim Tyler, DVD

Mirrors have a lore that date back to ancient times. Legends that surround the looking-glass are said to lure and/or repel spirits. Fortune-tellers use this mystical apparatus to read auras and make predictions. Stage magicians have used smoke and mirrors for hundreds of years to amaze their audiences. And now these magical reflectors have been brought into the hands of close-up wizards to further their mythology in an intimate gathering!

Included with this DVD you will receive 20 special mirror gimmicks to perform many routines like:

Mythos- A wild card routine that spins the many myths around mirrors into a feat of magic.

Soul Reflection- A card reading that embodies the onlooker's spirit.

Broken - See a mirror magically shatter before your eyes!

Mirraculous- You'll take a shining to this clever method for revealing a freely selected card!

Superstitious- Transmit your brainwaves with these eight cards to determine whether your volunteer is inherently lucky or unlucky.

Nebulous- Watch the magician mysteriously flip over cards with the aid of mirrors.

Plus you will learn MIRROR LORE and more!
