

World Class Manipulation McBride #2 - DVD

Jeff McBride is one of the greatest sleight-of-hand experts in the world. His extensive knowledge of manipulative magic is unparalleled. As a teacher, he is an engaging and dynamic spokesman on the meaning of magic and its place in contemporary culture. Jeff McBride's teaching style will help you to transcend your tricks and create a new form of magic theater. Now McBride shares with the magic world, for the first time, many never before disclosed techniques of the master manipulators. Jeff leads you step by step through this fascinating world of "digital" effects, and gives you the tools you need to become your best. A lifetime of manipulative masterpieces is contained in this unique three volume series.
