

Secret Seminars of Magic Vol 2 (Reveal a Card and Card on Wallet) with Patrick Page - DVD

A card is selected, returned to the deck and controlled. Now what do you do? What follows is the difference between a magical moment and just another card trick. Here, Patrick Page shares a number of ways to reveal a selected card. Some are humorous, some are dramatic - but all are very magical. What's more, Patrick Page also explains a number of ways to control a selected card to where you need it to be in the deck and some false shuffles to make sure it stays there. You'll never be at a loss to entertain with only a deck of cards ever again!
