

## **No Tear by Mark Mason and JB Magic - Gimmicks and Online Instructions**

### *Effect*

Show several torn pieces of newspaper, read a joke from each piece. In the blink of an eye the pieces restore into a full newspaper. The paper can be shown both back and front, this looks amazing.

The included instructions takes you through everything step by step.

Chapters include performance, explanation, bonus tips and a chapter on jokes/gags, that are perfect for this routine.

Comes complete and ready to perform with the newspaper and routine.
