

Fito Pavese's Topit by Bazar de Magia - Trick

The Topit is an extremely useful and yet not widely used accessory. You can perform real miracles with it under impossible conditions: Vanish an object using only your hands, change objects, color changes, discard a gimmick, the list is almost endless. Don't perform magic, perform miracles with this revolutionary gimmick. Includes a routine specially created by Patrick Page!!

What Patrick Said about Fito's interpretation of 'Top It':

"I like the idea and I found the whole gimmick much roomier" - **Patrick Page**
