

Harbin X 2 book (Early Harbin and Harbincadabra)

This two volume book set details the work, and the life of one of magic's most renowned artists, Robert Harbin. The set contains two hardbound 300 page books. The first volume, "Early Harbin," contains a comprehensive look at this master of magics beginnings. Included are several illustrated routines pulled from Harbin's routine.

The second volume, "Harbincadabra," details even more of Harbin's work and the details of his life such as photographs, his epitath, and memorial writings by several artists including; Bayard Grimshaw and Frederick Barlow.

These books are older, may have some small scuffs on outer cover.
