

## Instant Rose Creation by Visual Magic - Trick

### *Effect*

The magician is seen holding a bare rose stem. He also has some pedals from a rose and it appears that he is attempting to repair the rose. After a few failed attempts the magician gets frustrated and throws the rose pedals up in the air. At that instant a rose head appears on the stem of the rose. An Instant Rose Creation!

Item comes with a package of synthetic rose pedals. **NOTE:** *Color of rose may vary.*
