Now that day has passed! Coins are always at hand, and magic with coins always appeals to audiences. With this book as your tutor, you can master the world's best coin tricks.

Bobo wrote this book from his experience of many years, simplifying his wide knowledge of coin sleights, tricks, and presentations. John Braun, editor of *The Linking Ring*, worked elbow to elbow with Bobo, editing the text. Nelson Hahne, Magic's foremost illustrator, has amplified the sleights and tricks with almost seven hundred of his clear-cut drawings!

Bobo is the first magician since T. Nelson Downs in 1900 to produce a complete manual of coin sleights and tricks and use them in a routined coin-trick act.
