

The Osterlind Trilogy by Richard Osterlind - Book

Three acclaimed books now together in one deluxe volume!

Thousands have read Richard Osterlind's books *Making Magic Real*, *Making Real Magic* and *Essays* and many have reported that the way they approached their magic-and even their lives-was changed forever.

Now, for the first time, these three ground-breaking books have been assembled into one beautifully-bound softcover volume that can change your life and magic.

You'll find the secrets to what really makes magic not only memorable but relevant to today's sophisticated audiences. In a recent survey, Richard Osterlind was named the most influential mentalist of all time and in these pages, you'll discover the exact methods that have made him one of the world's most successful mystery entertainers.

Also included are three powerful effects, including the original Osterlind Design Duplication System, Osterlind's Amazing Memory Demonstration and a wonderful handling for the classic Haunted Key.

If you're ready to take your magic and mentalism to the next level, The Osterlind Trilogy is now ready to help you there.
