PSI Mind Deck by Vernet Magic

The best forcing symbol deck

Includes video download with history and step by step explanations

This deck allows you to force a symbol in the cleanest way possible: the deck is shuffled by the spectator; he chooses the symbol without you looking and while the deck is in his hands.

You can combine it with Psimbol deck to make your own routine, the possibilities are endless!

The spectator can shuffle himself.

He chooses the symbol while the deck is in his hands.

No marks, the backs are plain white.

Perfect to combine with Psimbol deck.

No "rough and smooth".

The perfect tool for the professional mentalist!
