

## **Roxie The Raccoon (Spring Animal) - Trick**

This little raccoon is guaranteed to get you laughs! You can make Roxie "come alive" and interact with your audience, with incredibly lifelike movements. Roxie can nod, turn his head, appear to run up your shoulder, appear to eat from your hand, or even jump out at your audience. This is an incredibly versatile prop that can be worked into any comedic routine. Roxie is perfect for clowns, magicians, or even comedians.
