

Sextet by Jack Kent Tillar - Book

This is the complete collection of Jack kent Tillar's telephone, fax, and email routines --

All under one cover:

- Over tow dozen new long distance performance pieces!
- Insider professional tips on maximizing impact and entertainment value!
- Three private routines: E.T. call Home, Coast-to-Coast Telepathy, and the JKT extension!
- Two effects originally slate for individual commercial release: My Favorite Picture Code and Psychic Hot-line
- Plus a new unpublished bonus routines by Michael Weber and an additional hilarious routine by Ross Johnston.

COMMENTS:

"I envy Jack, he has so many talents, it seems unfair. His new work Sextet carries with it his trademarked search for perfection, historical, context, and a beguiling simplicity (though not simple). Maybe I should take up music." - **Marc Salem**

"One is hard pressed to name a best or favorite form this book. Every effect is strong, clean, and can play like the 'real work'." - **Ross Johnson**
