

Super Frog trick Samual Patrick Sm

EFFECT: You slide a picture of Super Frog wearing his bright red cape into an envelope and hand it to your magic helper. A second helper holds onto an empty envelope. Say the magic words and Super Frog will jump from one envelope to the other or will he? When the card is removed from the first envelope, Super Frog is gone **cut out area where he used to be is all that remains.** Did he jump over to the other envelope? When you turn it over, there's no frog, but a little red cloth cape tumbles out! Realizing that Super Frog must always have his cape you make it disappear and the frog, wearing the cape, **appears on the second helper's back!**
