

Euro-Dollar Hopping Half (1 Euro and Quarter Dollar) by Tango Magic-Trick (ED004)

Effect

Two coins are shown - a quarter dollar and a euro coin. The magician takes the quarter dollar and puts it in his pocket. When he opens his hand, both coins are in his palm again. He then repeats the action - taking the 1 euro coin and putting in his pocket. But when he opens his hand both coins are there again. The magician repeats the action once again, and once again both coins are in his hand. Finally, he takes the 1 euro coin. When he opens the hand there aren't any coins there. The last coin has disappeared.

In this package you will find a finely crafted gimmicked coin set produced by **Tango Magic**.

Tango Magic produces the highest quality gimmicked coins in the world. Tango stands behind their products to guarantee your success. As a bonus to thank you for your purchase, Tango has included in this package a link to **Tangopedia**, a four-hour instructional video.
