

## **The Award-Winning Rope Magic by Francis Tabary - Book**

Master one great rope trick and you will have a piece of magical entertainment that will serve you well for the rest of your life under almost any performing conditions. Rope Magic is the ultimate "packs small, plays big" effect. In The Award-Winning Rope Magic of Francis Tabary, not only will you learn the rope routine that won him the title of World Champion, but you will learn enough high-quality, stunning rope magic to keep you busy for a lifetime!

Tabary's beautiful rope magic is visual, clean, brilliantly structured and flawlessly executed. He has used his F.I.S.M. act to baffle and confound magicians and laymen alike all over the world. To witness the finale of his act where one rope visibly melts into another is to see magic at its highest level. It is absolutely breathtaking!

The Award-Winning Rope Magic of Francis Tabary contains an incredible collection of mind-boggling original inventions. You will not find minor variations of tired old effects here. Tabary has created beautiful new effects, brilliant new methods, and even ingenious new principles. There is nothing ordinary or standard about this man's thinking!

Every detail of Tabary's incredible rope magic has been painstakingly written, and is expertly illustrated by renown artist, JEFF. This book is sure to be a crown jewel in your library and will become one of your most treasured resources.
