

## **Mouth Coil (12 coils) 50 ft. each by Bazar de Magia - Trick**

Have you ever wanted to pull a seemingly unending amount of paper from your mouth? One that keeps going and going?

The magician tears some paper napkins and begins to eat them. Then he pulls yards of white streamer from his mouth! This is the same used by Vic and Fabrini and Vito Lupo. Great for parlor, stage and kid shows. Audiences love this!

You receive a pack with 12 rolls to perform the trick 12 times, and written instructions.
