

Bunko! by Jim Steinmeyer - Trick

"Bunko" is a complete close-up routine for magicians, with **8 specially designed bills**, photo instructions and two complete presentations. Also comes with complete written instructions by Richard Kaufman.

Jim Steinmeyer's remarkable shortchange effect is a no - sleight, Fully routined mystery: \$20 Becomes \$19, then \$14, then \$20...\$19 again, and finally \$24! For the climax, the sucker ends up getting \$13 instead of \$20!

Two seperate patter stories are included. In one, Al Capone himself gets taaken by the infamous Florrie Ireland, a sweet little old lady, candy shop clerk, and shortchange artist.

Dimensions Approximately 6.5" x 3.75" (16.5cm x 9.5cm)

"The effect is tremendous! "Bunko is a perfect example of close up magic "theater." An intriguing story draws the spectators in and then wallops them with magic. It's a shortchanged routine with no sleight of hand at all!" - **Richard Kaufman**
