

Call of the Wild by John Bannon - Trick

John Bannon's innovative routine is an entertaining, updated, version of the classic "Wild Card" plot. It has all of the qualities of a perfect routine. It contains a solid story based on the classic Magician vs. Gambler conflict and a new triple climax.

The contest begins with eight blank cards and the Ace of Spades. The magician's blanks change into Aces of Spades. The Gambler's blanks change into Aces of Diamonds, Clubs, Hearts, and Spades. In a truly unexpected climax, the magician's aces change into a Royal Flush to win the contest!

Comes complete with poker-size, Bicycle cards and illustrated instructions. Sleight-of-hand required. Manufactured by Meir Yedid Magic.
