

## CD Radio Magic

*Effect*

A Few Quotes...

"These tapes are really interesting and will give the professional magician much to think about."

- **David Goodsell**

"What better way to demonstrate radio magic than on audio cassette tape? Highly recommended."

- **Phil Wilmarth**

Not just mentalism for the radio, but magic for the ears, too! Learn the secret to booking yourself, handling callers, and performing magic on the radio. This great trick can be performed one on one, over the phone! Comes complete with routines and out-takes from actual radio performances!
