Coin Bender tool - Trick

Borrow a coin and it magically bends at your fingertips!

With the SL Coin Bending Tool, you have the power to do many amazing effects. A spectator can hold a normal coin in his or her hand, and with concentration you or they can make the coin "melt." Borrow a coin and bend it with your teeth or between your fingers. Great accompaniment tool for use with **XPERT**. You are limited only by your imagination.

Comes complete with coin bending tool (below) and instructions with performance suggestions.
