

Coin Magic by Richard Kaufman - Book

Back in Print!

Richard Kaufman's comprehensive book of coin magic is finally back in print! This 266 page hard-bound book has an incredible amount of coin moves and routines from some of the biggest names in magic. David Roth, Edward Marlo, and Slydini each have their own section of this masterwork. Each effect and routine is explained in exhaustive detail along with beautifully clear illustrations by Richard himself. If you are a coin magician, or an aspiring coin magician, you need this book. This collection of coin material will take your act to the next level.
