Theodore Annemann, through his own performances and editorship of Jinx magazine, probably did more than anyone else to popularize this branch of entertainment. Now, this extensive knowledge, experience and know-how are at your fingertips in this comprehensive collection. Here are the closely guarded tricks of the trade behind such astonishing effects as Pseudo-Psychometry, one of the greatest one-man psychic effects ever achieved; Who Killed Mr.X?-a classic routine that combines both magic and mind reading with a triple mystery and a novel presentation; and the Swami Test, a demonstration of prophecy first popularized around 1920.

Annemann himself came up with some 16 variations on this popular and much-practiced effect. My Own Swami Test is one of his best.
