

Duo Tech II trick

Effect

Predict A Card Selected From A Borrowed Deck!

"It is a sensational, baffling effect which is not difficult to do...it is worth every penny." - **Phil Wilmarth**

The Linking Ring "What a wonderful trick. It is a pleasure to perform. The envelope at the end is a killer!" - **V. Morling Naples, FL**

"It is a great trick and has blown away everyone we have shown it to on the east coast." - **B. Ward, Metuchen, NJ**

"This is the first time I have been fooled in a long time!" - **J. Jensen, Las Vegas, NV**

The spectator shuffles what may be his own deck of cards and freely selects one (no force). He immediately opens the prediction and it matches their card! The prediction is on the table the entire time and never touched by the magician! Everything can be examined! This reputation making trick uses a brand new secret! It's easy to do and is perfect when the spectators are burning your hands. Looks Impossible Everything can be examined Uses a borrowed, shuffled deck No skill required First Class props A fully illustrated booklet Clean, direct No angle problems
