

## David Roth Expert Coin Magic Made Easy Complete Set by Murphy's Magic Supplies

*"First let me state that David Roth is truly a genius. T. Nelson Downs, Allan Shaw, Manuel and Welch Miller all specialized in this branch of the magical art. David's ideas and execution far surpass any one of them. I feel quite certain that if they could witness his performance, they would not only be astounded but realize that they had seen the master."*

**-Dai Vernon**
