

FLASHY BANNER (HAPPY BIRTHDAY) by George Iglesias & Twister Magic - Trick

The new **Flashy Banner** by George Iglesias is a very visual magic effect and a great utility prop perfect to give your audience a special message in a very flashy way!

Effect:

The magician shows several letters and drawings in disorder and place them all together in one hand, by snapping his fingers all pieces become one to show a big banner in a super visual way!

Each **FLASHY BANNER** has beautiful high-resolution drawings, professionally designed to make you look like a real pro at your shows. It is portable and super visual magic effect based on the classic torn and restored newspaper, **FLASHY BANNER** uses magnets to work with ease, a 100% reliable, easy and safe system.

Built to last, as all Twister Magic props, is printed on a thick, matte laminated material, a high quality and resistant product that will arrive at your shows to stay forever (NO REFILLS NEEDED)

Available in two versions **HAPPY BIRTHDAY** to wish someone a happy birthday and the classic **THE END** message, that puts a nice magic touch to the end of your show.

Perfect for children's magic, hall magic, stage, MCs and clowns.
