

The Parallel Wallet by Paul Carnazzo

parallel- verb

1. *duplicate or match*

The **Parallel Wallet** is an everyday bi-fold wallet with one of the most deceptive peeks you will ever see.

The **Parallel Wallet** could be considered a simplified version of the sold-out Annihilation Wallet, utilizing only the peek feature.

It's made of soft black Nappa leather and has plenty of room for credit cards, your favorite Mental Voyage cards, an ID window, and bill compartments.

It has deep pockets to hold playing card-sized cards, including all the Mental Voyage wallet cards.
