

LS Diary by Leo Smetsers

The **LS Diary by Leo Smetsers** is undoubtedly a fantastic addition to any magician's repertoire. The classic diary effect has long been a staple in mentalism routines, and Leo's version promises both quality and versatility. With a custom-made diary printed in English, performers can expect a professional and polished look for their performances.

What sets the LS Diary apart is its ease of use. Leo Smetsers has designed routines that require zero memory work, making it accessible to magicians of all skill levels. Additionally, the tutorial video included provides valuable insights into Leo's favorite routines, including a routine using his Any Card at Your Number deck.

If you're looking to add a powerful and foolproof mentalism effect to your act, the LS Diary is an excellent choice. With Leo's expertise and quality craftsmanship, you'll be sure to impress your audiences time and time again. **Don't hesitate to pick up your LS Diary today!**
