

MONEY MAKER 2.0 by Smagic Productions

We are pleased to present the new version of **Money Maker - Incredible Money Conversion effects**.

It can change the pile of money inside many times with very beautiful effects.

Looking at the bills inside, just shake it gently and it will turn into other stacks of money, and finally a stack of one thousand dollar bills if you want.

But that's not all. This envelope is truly a work of art, it is beautifully designed, made from premium plastic and quality similar leather.

Therefore, the feel of the material and the delicate beauty of the product will surprise you.

This is the perfect combination of creativity and ingenuity, creating a timeless and stimulating experience for both performers and audiences.

With any currency, you will witness the constant change of banknotes before your eyes.

- Changed many times
- Disappear
- Reset after 5 seconds
- Luxurious design
- The gimmick is ready-made, you just need to use your money and do it

So whether you are a seasoned magician or a novice magician, **Money Maker 2.0** will take you to the next level.

You will be the master of this incredible transformation and your audience will not believe their eyes!
