

Sudoku by larvel Magic

Ever wished you could read minds? Prepare to astound your audience by predicting their choices with eerie precision! Picture this: you invite someone to select a number on a small pad, they jot it down, and... voilÃ ! You reveal their choice before they've even shown you the paper. This isn't mere luck-it's a feat you can repeat flawlessly, nine times over! Whether you frame it as "mind-reading" or an uncanny ability to influence decisions, this device will leave your audience speechless.

The secret? It's not magic, but it sure feels like it! **Sudoku**, from IARVEL MAGIC, is a cleverly designed prop that allows you to predict audience choices with ease.

BASIC EFFECT:

Present the seemingly ordinary Sudoku pad. Nestled on its surface is a special sheet of paper, cleverly divided into nine squares. Ask someone to secretly choose something on the grid - a number, a symbol, anything their mind desires. Feel free to turn away or roam the room - distance is no obstacle for **Sudoku's** power! The instant they make their selection, you'll reveal their choice with mind-blowing accuracy, leaving them speechless before they even show you the paper. It's not magic, but it sure feels like it!

KEY FEATURES:

- **PORTABLE:**
Both the device and receiver are compact, ensuring easy transport and use anywhere.
- **REAL-TIME RESPONSE:**
The state-of-the-art receiver transmits signals instantaneously, facilitating seamless predictions without delay.
- **RANGE:**
No need to get close! Predict audience choices with uncanny accuracy, even from up to 50 meters away.
- **EASY-TO-USE:**
No complicated setups and confusing buttons! **Sudoku** activates with a simple click, making it incredibly simple to use and user-friendly.
- **FLAWLESSLY CAMOUFLAGED:**

Both the board and the pen have a completely normal appearance, eradicating any suspicion from the audience. Feel free to let the audience inspect them for added reassurance, if needs be.

- **ONE-YEAR GUARANTEE:**

IARVEL MAGIC wants everyone to feel confident about purchasing **Sudoku**, so we're offering a one-year guarantee starting from the day you receive it. We also want to express our gratitude to everyone who has believed in our products.
