

Peach SOJU - Pokerdeck

Fostering connections between friends and strangers alike, there is one drink that symbolizes the spirit of togetherness. The perfect mix between sweet and refreshing, Korean peach soju is the embodiment of nurturing relationships and the creation of lasting memories. The vibrant and lively vibe of peach soju captures the essence of South Korea's unique nightlife. From neon-lit streets to cozy karaoke rooms, this drink encapsulates the spirit of celebration, laughter, and the undeniable sense of camaraderie.

Introducing the **Peach Soju Playing Cards**. This deck of cards is certain to warm and refresh your spirit. Gather your loved ones around as you can now enjoy this drink in the form of playing cards!

Absolutely love the sweet refreshment peach soju brings you. Then it shouldn't be a surprise that our packaging resembles an actual bottle as much as possible! Think a green bottle design with pink peaches and messaging on the label.

If you thought our meticulous design of these cards couldn't get any cuter, think again! The back designs of the cards are all light pink with two semi-circle splashes of peach soju and bubbles on the corners. There are also two green bottles of the signature Korean drink pictured towards the center of the back design, both diagonally titled and designed in a two-way fashion in order for the adorable peaches to make you blush no matter the way you hold it!
