

Artful Deceptions by Allan Zola Kronzek - Buch

The thickness of a magic book doesn't make it great. Neither does a flashy cover, nor a fancy trailer.

The best magic books are the culmination of a lifetime of knowledge and refinement.

So Vanishing Inc. Magic is proud to present ***Artful Deceptions***.

Unlimited Possibilities

Allan Kronzek has spent his life developing the card material in this book. Every single effect has been painstakingly worked through for maximum impact. Read a spectator's mind, help measure the compatibility of a couple, and learn Allan's perfect card opener. It's all here... in ***Artful Deceptions***.

"One of the best magic books in many years. Highly recommended."

- **Jim Swain**

"Allan's precise, yet conversational, writing will transport you to your own private session with a clever and thoughtful practitioner. You'll enjoy the discourse. Time well spent."

- **John Bannon**

"[Allan] has an ingenious sense of deception, devilish, I think. It is truly a great lesson in creative imagination and intelligent thought."

- **Bob Fitch**

"The kind of work that truly contributes to the improvement of our art."

- **Jamy Ian Swiss**
