

## Vermilion Bird Deluxe Wooden Box Set by Ark - Pokerdeck

The display case adopts a vertical side-by-side door structure, giving it a palace-like feel. The metal nameplate inlaid at the front makes the wooden box a well-deserved collectible piece of handicraft.

The inside of the tuck box and the backs of the cards are full color, while the playing cards themselves feature full metallic foil and gilded edges.

- Limited to 300 with unique serial numbers
- Includes red deck and a collectible coin
- Full-color foiling
- Palisander display case
- Luxury gilded edges
