Ultra Lite Table by JT

Magic table is an accessory that every magician needs. But what troubles them is that most of the magician tables are very heavy and not convenient to carry with.

Ultra Lite Table is so light that it can be easily lifted with just one finger. At the same time, it has relatively good stability. It is detachable, and very convenient to travel with. Perfect for traveling magicians. The designing of **Ultra Lite Table** is simple and fashionable. The height of the table is adjustable.

A close-up mat is included.
