

Jumbo Mind Entanglement by Hank and Joseph Lee

Released at the 2024 Blackpool Magic Convention, "Mind Entanglement" was extremely well received. There were also many requests for a larger version for parlor or stage, prompting the creation and release of the exclusive **Mind Entanglement" JUMBO" edition.**

Made to resemble postcards, this version brings the mystique of the matching effect more relatable, ensuring a deeper resonance with audiences and heightened comprehension of the mesmerizing effects.

Your performance can now consist of captivating tales of travel, showcasing your unique personality in a performance.
