

Bicycle Harry Houdini by Collectible - Pokerdeck

Introducing the **Bicycle Harry Houdini Playing Cards** by Collectible Playing Cards.

This deck is a must-have for both magic enthusiasts and playing card collectors. Printed by USPCC on classic stock traditional cut with an air-cushion finish, ensuring a smooth and durable playing experience. The original hand-drawn art adds a touch of elegance and mystery to this deck.

But what sets this deck apart are the 6 gaff cards and 2 reveals included. These gaff cards allow you to perform amazing illusions and tricks. The King of Cards gaff card can be used to magically change the front of the tuck case and reveal card. The back card - opening lock gaff card allows you to perform the illusion of locks opening or closing. And with the Joker gaff cards, you can even perform Houdini's famous escape from chains.

Don't miss out on adding this unique and stylish deck to your collection. Get your **Bicycle Harry Houdini Playing Cards** today!
