

## Impress II by Kevin Li & Hanson Chien

The genius creation from Kevin Li & Hanson Chien, the must have Sharpie that Leaves Mark on the audience - **Impress II**.

Imagine using a Sharpie cap to leave an impression on a spectator's skin, the circle then morphs into their chosen card or thought.

With **Impress II**, you can even do "super mentalism" where you can read minds with a single Sharpie.

**Impress II** is a great EDC that you can have in your pocket at all times. It comes with 1 standard Sharpie, 3 mentalism effects and 5 different revelations!

Magic is strongest when it happens in the spectator's hand.

**Impress II is born to impress.**
