## Potato Chips by OPC - Pokerdeck

We were feeling snacky when we made this one! Just in time for all of your summer BBQ needs, **OPC Classic Potato Chips** are ready to party! There is nothing more satisfying than a good crispy potato chip crunch. And that's how we feel about this deck! In true OPC fashion we slightly customized the court cards and this time we tried something a little different with the back design!

What are you waiting for? Get the snack of the summer now!

Thank you again for all of your love and support! We have so many amazing decks coming this year! Keep those eyes peeled.
