

Sphere Playing Cards

Inspired by the traditional art form of moulding multi colored lac using heat, compression and rolling techniques, Magic Encarta is proud to present Sphere Cards.

Sphere Cards is an embodiment of Minimalism, Elegance, Vivid and Uniqueness that will make you not wanting to keep them down.

It's perfect for fans, displays, packet cuts, spreads, spins and looks eye catching even if it's just kept on the table !!!

The deck also hosts a unique border with an all-white back design with a sphere in the center.
