

Solokid Rainbow Dream Red Pink

Rainbow themed playing cards is an essential arsenal in a cardists pocket. You don't need super flashy moves or skills to create a beautiful movement in the palm of your hand. The pink edition of the Rainbow Dream Playing Cards features a pink and yellow color, with gradual layers of ink immersing on the canvas. You are now the architect of you own dream, move your hands and allow the cards to take you in an alternate dreamy world.

The Solokid Rainbow Dream Playing Cards is manufactured by Taiwan Playing Card Company with their legendary luxury finish.
