

## Pop More by Tora Magic

The magician displays two square tubes and shows that inside one there is a can of a drink, and inside the other a pack of popcorn. In a fun filled routine, the can and pack of popcorn magically change places various times. Then for an amazing climax the pack of popcorn become 2, then 3, then 4... untill at the end there are 6!... And the can will have completely vanished. A fun and magical "feast" for the eyes!

- Tora magic quality.
- A great effect for any kind of audience.
- Easy to perform and with a strong visual impact.
