

Odyssey Genesys - Black and Silver

Odyssey Genesys is inspired by high minimal shapes. The minimalism and the futurims at its most. The luxury is presented with impressive materials and tonalities like silver. However this is not just a foiled deck of cards...this is again a totally different way to Feel The Universe but keeping the essence of brand.

The MOST AMBITIOUS Odyssey project.

Every deck of cards will be NUMBERED! Luxury seals have been created which will include the number of the deck so...they will be super limited.

General Features:

- Black Matt extra premium quality tuck case. Tuck case with Silver foil.
- Luxury inner printing. Silver foil. Absolutely astonishing.
- 52 playing Cards + 2 Jokers Poker size.
- Produced by Feel The Universe Card Co. and TCC.
- Printed by TCC PLAYING CARDS Company.

PAPER STOCK AND FINISH

Feel The Universe and TCC have been working together in the craft of a unique and special paper stock and finish keeping high the quality of the cards.

This means a great handling, perfect for cardistry and magic. This paper stock and finish are called: Prime Paper Stock and Finish. And was used a SUPER premium tuck case material. You will love it.

TUCK CASES

Genesys has maybe the most impressive case design ever created for an Odyssey. Black high quality mat paper stock in combination with a special Silver foil makes this case a piece of art. Simple but sophisticated.

BACK DESIGN

Odyssey Genesys comes with a depured back design. The diagonal line is elegant, minimal and elegant. Pure Odyssey.

ACE DESIGN

Classic ace design but adding some details with Genesys aesthetic.

FIGURES

Metallic plates conforms the armor and weapons of the knights. Again combining

the futuristic touches with the minimal design.
