

## Infinity V2 (Filo elastico invisibile 61mt)

"The Infinity floating bill is amazing, deceptive, and practical. The new hook-up is clean, direct, and natural." - Johnny Ace Palmer

Levitation is about to enter a new era. This best seller returns with a new floating bill effect on the leading edge of magic. It includes the long-awaited premium Infinity™ IET. Infinity teaches an innovative hook-up that will leave you stunned through its practicality and simplicity. Set-up requires less than a minute and you're ready to plunge into Infinity.

- 200 feet of professional IET (over 60 meters).
- 100% black matte finish; no stripping required.
- Custom dispenser makes IET ready to go.
- New, versatile hook-up allows for endless possibilities.
- Can be performed in short sleeves, without any jewelry, providing greater mobility; no wax needed!
- Excellent for those PK touches.
- Instantly repeatable!

Includes instructions, plus, a downloadable video with live performances and explanations.

"Wow!!! Great product! I can't wait to get my hands on the Infinity V2. This is an incredible new levitation system. Not only do you get to learn a brand new hook-up but you get one of the best IET on the market." - John George

"I love making loops with this. Now with 200 feet, I can do much more. Go Infinity!" - Nathan Gibson

"The new method is very clever, versatile, and easy to master. I highly recommend it." - Shoot Ogawa

Infinity V2 allows you to take control of gravity itself. It's been talked about in the forums, speculated in private, and sought after by many. Now, it's here!
