

Frogy by Ilusionista Snake

You show a prediction laying down on top of a box of cards. The prediction in full view, it can be a playing card, the serial number of a borrowed bill, a written prediction, or anything you choose.

Now somebody selects any card and he sign it and suddenly the card vanishes from the deck and ended up becoming the card on display since the very beginning.

A simple, subtle and invisible switch that will allow you to perform miracles and blow minds. 7 routines that were created for a maximum impact.

Snake has been working on this gimmick since 2013, he is very creative and have manufacture a high impact device. Frogy is an ingenious gimmick capable of switching in a blink of an eye many different objects.

Once in your hands you will experience the infinite possibilities of invisible switching.

Frogy is prepared by the bare hands of Snake, this ensures its quality and inspection of each product, examined and tested before marketing.

- The instruction are supplied in a DVD. Even if they are in English, they are very clear and easy to follow even for anybody that does not know this language.
